Announcement of production discontinuation

Firstly we would like to extend our appreciation for your continuous support in selling our products. The FR-A700 series has been manufactured and successfully sold for long time since its re-release. However, Mitsubishi Electric has already introduced the successor, FR-A800 series with much more features, performance and functions. So we have to announce the official production discontinuation for the FR-A700 Inverters.

Materials to be discontinued		Replacement Materials	
		(not necessarily 100% compatible)

Phase Out Schedule

End of Life (EOL)	30.09.2014	<i>Date from which the discontinuation will become effective</i>
Last Time Buy (LTB)	30.06.2015	<i>Date until when last Purchase Order from customer is accepted by Mitsubishi Electric</i>
End of Service (EOS)	31.12.2022	<i>Date until support and service will be maximum available. If we are able, we are trying to repair a unit for a longer period. But this cannot be guaranteed.</i>

Additional Information

The above listed materials are just the main standard materials. All corresponding options or non-standard materials for the target series are also in scope of discontinuation.

Customer Action Requested

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.
